6. Review of Financial Statements - we continue to get more solid financially. We have about \$54,000 in the bank at the end of the fiscal year. The BC gaming grant of \$58,000 the last two years is our main grant - registration fees don't cover the costs of play, and we didn't have a U13A team this year, which costs us about \$10,000 in registration fees. We pay travel subsidies to teams based on the amount and distance of travel required - total this year was about \$30,000, but future years' amounts will be determined by number of teams, funds available, etc. No questions. Melanie Murray, Anh Nguyen - 29-0.

## GENERAL INFORMATION SESSION

“UPDATE REGARDING 2022-23 SEASON”

A brief information session will follow the AGM with opportunity for Q&A, time permitting.

We are planning to do a general satisfaction survey now that we're through 3 seasons of programming.

Hockey Canada is requiring enhanced information collection.

BC Hockey - we are sending a delegation to AGM

- BCEHL Program has become dissociated from Spectrum and may be looking for after school time, though this isn't clear at this point.
- Are also implementing a Code of Conduct

VIAHA - AGM is May 29th and virtual

- have standardized referee payments
- Revised standards for RIS for Adult Leaders (coaches etc.) to do Parental RIS since it doesn't track well - getting some pushback
- Updates to cross-ice format for U7

2022 CRFMHA Spring/Summer Program

- limited somewhat by board transition
- U7/U9 - over census
- U11 - full with a waitlist
- U13 over census
- U15/18 - over census
- goalie only sessions in April/May were cancelled
- Pond hockey sessions scheduled

- Future Stars and Bust the Rust (pre-rep) ice is reserved

#### 2022-23 Registration

- opens May 1st
- registration fees slightly increased for this season
- early bird discount of \$50 before deadline (May 15th)
- second installment due August
- registration rates have been climbing year over year and we expect them to again this year

Jersey deposit is increasing to \$150 since all players U13 and above will now have a home and away jersey - those that have already paid \$75 for one jersey will owe an additional \$75.

Goalie fees - goalies with their own equipment get reduced registration.

Competitive (A team) fees are competitive with other associations.

Tryouts - Aug 26-28 will be phase 1. Phase 2 will be the weekdays after Phase 1

For recreational teams, we aim for community-based teams, but also need to make sure we have ice in each area, a coach, a goalie, and balanced teams.

Officiating - we are short on officials. We will try to host an all-female clinic in September or October.

Fundraising - September 10/11 weekend bottle drive, hockey pool, rafflebox 50/50 - these should be it.

Board transition meeting is next Thursday and then the orientation meeting for new board members will be the following week.

Question from Geoff Gair: A thought - build an arena give the association a home. Any discussion yet?
